

Your NEW HOA online payment portal on Bill.com is now available!

The new payment portal offers several benefits:

- Access up to date account balances
- Access & download invoices
- Autopay available
- Go paperless - Invoices can be emailed to you
- Set up reminder emails
- Lower fees - ACH transactions are only \$0.49 per transaction

How to set up your new Bill.com account

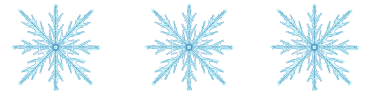

- Visit the HOA website and click on the 'Pay Now' button to view the Payments page. www.eqhiihoa.com/payments
- On the Payments page, click on the 'Pay Online' button to start setting up your new Bill.com account.
- You will need your 1/1/2022 HOA invoice (attached) to create your account.
- Once you are signed up with Bill.com, all future invoices will be emailed to you.
- You can make a payment (ACH only, credit/debit card option coming soon!), set up autopay, set up email reminders, view current balances, view and download invoices.

If you currently use Zego for making payments

- Please set up your new Bill.com account for making online payments.
- The Zego/Paylease portal will not be associated with the HOA after January 31, 2022.
- **Please do not use the Zego/Paylease portal after January 31, 2022.**
- **If you are using the Autopay feature via Zego/Paylease, it will be canceled on January 31, 2022.** Please set up Autopay in your new Bill.com account.

Switch to online payments today!

If you are not currently using Zego/Paylease, but would like to start paying online, it's fast & easy. Follow the simple instructions above to set up your new Bill.com account and take advantage of it's many features!

Paying via checks or billpay?

Consider going paperless by signing up to receive invoices via email!

If you are paying your HOA dues by Check, or using BillPay through your own bank, **we strongly encourage you to create an account with Bill.com** to start receiving your invoices via email. You can still submit your payment via check or BillPay, and use your Bill.com account for the added features of viewing current and past invoices, current balances, etc.

You can save MONEY and TIME by creating a Bill.com account today!

Using your Bill.com account, you can set up payments from your bank, which will cost only \$.49 per transaction! That's cheaper than the cost of a stamp. Additionally, you can view and download your invoices, view current balances, set up reminder emails, and more!
